AIRLINE TRANSPORT PILOT
CFII/MEL
A&P

Dear Fellow NEMSPA Pilot:

As a professional pilot in the aeromedical transportation industry, you are certainly aware of the increasingly complex issues that we face in terms of FARs, enforcement policies, hospital regulations, operator procedures, bureaucratic obstacles, etc. Often these situations involve legal matters either directly or indirectly.

I have been associated with NEMSPA since 1989 as its associate General Counsel. I am an attorney and ATP pilot, CFII and A&P with an aviation background that includes Part 135 operations. I am available to listen to your concerns, give you a legal opinion when appropriate and serve you in anyway that I possibly can.

As a benefit of NEMSPA membership and a courtesy to you and your family, we will write a WILL and A LIVING WILL (sometimes referred to as a Directive to Physicians) for you with absolutely no charge. To take advantage of this service call me at 281-222-6333 or call NEMSPA headquarters at 877-668-0430.

An additional benefit of your NEMSPA membership is that you have 1 FREE HOUR of legal consultation with us whenever you may need it. If you get one of those "telephone the tower when you land" calls, or something even worse, you may need help and need it now. I am available 24 hours a day.

I look forward to serving you and NEMSPA. Feel welcome to call me at my office at 281-391-9275 if you have any questions or comments.

Sincerely yours,

George E. Crow
Attorney at Law
